EMPLOYMENT HISTORY

D. Mark beavers, DDS

March 2000-present

Full time dental hygienist, Dr. Beavers is a general dentist in Kailua. This is a family practice. I am responsible for the dental hygiene aspect of the practice; keeping up with new products and techniques, ordering, training to keep the consistency with our office philosophy. I have developed the dental hygiene part of the practice for Dr. Beavers. We are a preventive, progressive family dental practice who strives to improve dental health through patient education. Well informed patients are healthier people.

Richard Guerin, DDS

May 1991-March 2000

Full time dental hygienist until 1996

I was a clinical dental hygienist in a general dentistry practice. Training dental hygienists to keep their practice philosophy consistent was my responsibility since I was so familiar with Dr. Guerin's practice.
